The Legal Exchange: Benefits of Scholarship & Mentorship to the Student and the Legal Profession.

To Participate,

Write an Essay & Provide a Short video on the topic ➡

The essay competition topic is targeted at a balanced exploration of the concepts, and gives the Student Applicant an avenue to explore the mutual and far-reaching benefits of scholarship and mentorship, in a plethora of ways particularly within the legal profession, as well as to understand the intricate nature of these two elements and why they are to be maximised by the relevant stakeholders in the legal industry as fundamental building blocks for a successful legal career development for the individual legal practitioner in particular and the broader legal profession in general.

It is also an opportunity for the Student Applicant to reflect on his/her university and educational future to proffer opinions on how these concepts would benefit him/her personally as vital investments in the future of law. As an expansion to the Programme, 30 (Thirty) Applicants stand the chance to win sponsorship/ scholarship opportunities to attend the mandatory training at the Nigerian Law School [Bar Part II] to fulfil the requirements to be called to the Nigerian Bar and pursue their legal practice dreams. This prestigious scholarship covers the tuition for the one-year programme, providing a unique chance to excel in legal education without the personal financial burden.

A. Benefits:

1. Tuition fee coverage [i.e. school fees only as prescribed by the Nigerian Law School] for the one-year Nigerian Law School [Bar Part II] programme.
2. Opportunity to study at the prestigious Nigerian Law School at no cost.
3. Networking opportunities with top, senior, and distinguished legal professionals.
4. Mentorship from eminent and elite Legal Practitioners and Judges.
